Impaq: Your step-by-step guide to homeschooling

Impaq is South Africa's largest home education curriculum provider. In 2020, more than 24 500 learners made use of Impaq's lesson material.

We provide everything you need

to complete Grades R to 12 at home, including:

Lesson material

Your child will receive all the lesson material they need to complete each subject. Our materials (available in English and Afrikaans) are aligned with the national curriculum (CAPS).

Facilitator's guides

You will receive everything you need to make learning fun and to become your child's instructor, including lesson guidance, a subject plan, and a suggested timetable.

Online classes

We will guide you every step of the way with additional learning support via online classes for Grades R to 12. Impaq's education specialists explore a variety of subjects every weekday.

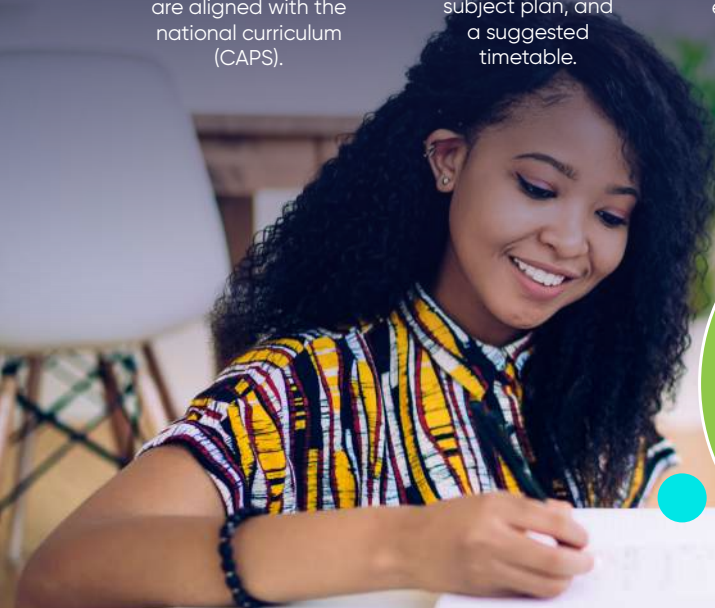

Assessment elements and services

You will receive all the formal assessment components you need to evaluate your child and monitor his/her progress. Impaq also provides a pathway to obtaining a National Senior Certificate (NSC) in Grade 12 through an independent assessment body.

Additional guidance and support

We also offer Grade 8 to 12 learners additional support through the Optimi Learning Portal that includes quizzes, notes, previous examination papers, and more than 900 educational videos.
